ly known as the barefoot merchant.

New York, Nov. I.—New York's triangular political campaign ended to-night. William J. Gaynor, the demo-cratic candidate for the mayoralty, made his final speech in Harlem. Otto T. Barnard, candidate of the republican and fusion forces, closed his campaign with a moonday address on the waterfront nad a brief talk to negroveters at a downtown Baptist church.

Roundups of Alleged Repeaters. oters at a downtown Baptist church

The Last Hearst Red Fire.

had wound up his formal speechmaking last night at Madison Square Gareden, but some of the lesser lights of his independent campaign burned red fire and espoused his cause with a final burst of oratory at open air meetings in the four corners of Manhattan tonight, while many of the minor candidates on both demogratic and republican tickets had meetings of their own in the doubtful districts.

Predictions as to Permit Predictions as to Results.

In each of the rival camps complete es F. Murphy, the Tammany

We are well satisfied with the result of the democratic campaign. Gaynor will receive more votes than both of the other candidates for mayor and he will carry the whole democratic ticket with him in every borough." 2,000 Students Among Poll Watchers. Parsons, the republican

"Our fight against Tammany misrule has won. Reports from every assembly district in the greater city show that Bannard will be elected by 50,800 plurality. The entire fusion ticket will go through with a landslide vote." Charles H. Gehring of the Hearst forces said:
"Hearst will see more than 300,000

Hearst will get more than 300,000 votes, winning by over 100,000 plurality over the Tammany candidate. I look for a landslide to Hearst." 600,000 Votes Will Be Cast.

All three sides were agreed tonight that about 600,000 votes would be cast tomorrow out of the total registration of 644,500. Of this number about 20,000 will be scattering votes for candidates of socialist, prohibition and other minor tickets, leaving about 580,000 to be divided among the three leading candidates.

Betting Favors Gaynor 2 to 1. result of the majoralty contest in New York today. In the financial dis-trict the prevailing odds favored Gay-ner by about 2 to 1.

Bannard's Closing Appeal. Bannard, in his closing appeal to veters at his noon meeting today.

"I have fought this campaign against Tammany Hall, against corruption, waste, graft and improper contracts.

"I believe that I can serve you well, and that tomorrow you will choose a business man, a man who will attend to the duties of the office to which he is elected."

"Hearst Will Be the Next Mayor."

The final word by the Hearst campaigners was a brief statement from Hearst's headquarters expressing confidence in the result and promising a should be dictated to by no boss and has made personal liberty and the abolition of police exarism his chief tonks. ence in the result and promising a topics.

#### PEARY ENDORSED AS A NORTH POLE DISCOVERER By the National Geographic Society-

Washington, Nov. 1.-Commander Robert E. Peary was practically en-dorsed as a discoverer of the North time for oratory was past the lakes-pole by the National Geographic soci-to-the-gulf deep waterways conven-

Everything indicates that Peary's personal statements before the sub-committee of the society today convinced its members that he set foot on the top of the world. The explorer has been invited to deliver the first of his public lectures before the society here on November 12, and it was pointed out tonight that had the proofs been open to the slightest westion he never would have been asked to appear.

It was announced tonight at the It was announced tonight at the home of Rear Admiral C. H. Chester, retired, that a public statement of the findings of the society would probably be forthcoming on Wednesday. This rapidity in determining the genuineness of Peary'z claim that he reached the pole on April 6 last is taken to mean that there is no difference of opinion among the experts who are devling into his Arctic data and that they are convinced of his and that they are convinced of his

#### SEE A LONG, COLD WINTER. Jersey Prophet Reads the Signs from

Livingston, N. J., Nov. 1.- The farm for a long cold winter, all on account of the prophecy of John Campbell, who has screed that on account of the covershundance of hickory nuts and the scarcity of chestnuts, the coming winter will be a terror.

## Cabled Paragraphs

Amoy, China, Nov. 1.—Pekin Chinese are attempting to brin~ an anti-Japanese boycott in Amoy.

Paris, Nov. 1.—Five thousand French Protestants celebrated the fourth centenary of the birth of John Calvin, with exercises in Trocadero hall today. Among those present was out General Mason.

Hamburg. Nov. 1.—Aviation week opened here today, with what nearly proved to be a fatal accident. A mechanic, Pequet, was making a flight in an aeroplane at a considerable height when flames broke out. A moment later the benzine tank exploded. Pequet succeeded in gliding to the earth but the danger of burning to death was so pressing that he jumped from the machine while it was yet some 15 or 20 feet in the air. He was injured about the chest and was carried to a hospital. Apparently his injuries are not serious. The cloth wings of the aeroplane were consumed.

ASSESSORS HOLD THEIR LAST PUBLIC SESSION.

Many Brought in Their Lists on Mon day and Board Was Busy up to

board of assessors held their The neard of assessors held their last public session on Monday and received many lists from property owners who had forgotten or neglected to hand them in earlier. The board was in session from 9.15 o'clock in and they were busy up to the closin

sent back to have them sworn to or to have them signed. There will be the usual number of lists ten per cented, one of the largest taxpayers allowing this addition to be made each year rather than appear before the board. There will be a number of additions as well as losses this year, so there is reason to believe that the grand list will not drop below the fig-ure of last year. The board now has a strenuous time before them and will great volume of election day business tomorrow. Four justices of the su-preme court were assigned to sit in special term at the New York county get out to review some of the property

> CIVIL SUPERIOR COURT COMES IN THIS MORNING.

First Suit is That of Raymond, Tr., wa F. E. Parker, Growing Out of the H. S. Davis Bankruptcy Estate.

2,000 Students Among Poll Watchers.

Among the watchers at the polls will be nearly 2,000 students, volunteers, 800 of them recruited from Columbia, 300 from Yale and 250 from Princeton. It was feared that the presence of these watchers would be prohibited by a ruling of the corporation counsel that only legally qualified voters could act as watchers under the state law, but this opinion was overruled today by a signed declaration from the state attorney general declaring that The civil superior court business will be taken up this morning at 10 o'clock with Judge Reed in attendance. At 9.30 he will meet with the cierk and sheriff in the cierks office to draw jurors who will serve later in the term. state attorney general declaring that "any person, voter or not, male or fe-The first case on the docket for this morning is the suit of Gilbert S. Raymond, trustee of the bankrupt estate of H. S. Davis of Stonington, against F. E. Parker. Mr. Davis was in the A Bitter Underlying Struggle in the ey to carry the defendant's holdings, and it is claimed that the defendant owes him for such \$3,000. This brief, but spirited campaign has been conducted largely upon the old issue of opposition to Tammany hall, but aside from the mayoralty there has been a bitter underlying struggle for the control of the "board

#### NEW YORK CRIMINAL COURTS BUILDING UNSAFE

Structure in Which Many Famous Trials Have Taken Place Is Con-

New York, Nov. 1.-The criminal New York, Nov. L.—The criminal courts building, which was built at a cost of \$2,000,000, was today declared unsafe by the engineers of the bureau of buildings. The building, which has been the scena of the Thaw, Molineaux and other of New York's principal criminal trials in the last score of years, was begun in 1890 under the administration of Mayor Hugh Grunt. It will be officially condemned in a day or two.

It will be officially condemned in a day or two.

The entire building, which was built on marshy ground, will probably be vacated in several days. The big eight-story brick structure is cracked from basement to dome, and it is feared that little more than a slight shock would send it toppling into the street.

The courts building is located on Center street and contains the courts of general and special sessions, the Tombs police court and the district attornev's office

#### QUADRUPLE MURDER.

Charred Bodies of Four Persons Found in Ruins of Burned House.

Blueneid, W. Va., Nov. 1.—The char-red bodies of four members of the family of George Hood, an aged white man, were found today in the ruins of the Hood home at Harper. The house was destroyed by fire last night for the purpose, the police believe, of covering up a quadruple murder. Rob-bery is believed to have been the mo-tive for the crime.

Washington, Nov. 1 .- Safe keeping tional bank at Mineral Point, Wis. tional bank at Mineral Point, Wis., according to the latest details received in reports to the comptroller of the currency. Buffalo, N. Y., Nov. 1.—Fire tonight completely destroyed the Lake and Canal warehouse of the Western Transit company on Buffalo Creek and the worehouse of the Knowiton Warehouse company, adjoining it, and damaged Eelevator B of the City Elevator company, on the opposite side of the creek. The total loss is estimated at \$350,000.

## W. A. Morse Takes up His Duties at the Local Association-Has Had

On Monday, W. A. Morse, the new general secretary of the Y. M. C. A., assumed the duties of that office, suc-ceeding Frank H. Merrill, who had filled the position for the past five and a half years.

Mr. Morse is a native of Northamp-

ton, Mass. a graduate of Amherst col-lege, and has had eleven years of ex-perience in association work. This included two years with the Northimpton association, then at Nashua, and then at Lowell, Mass., for seven years. Through the serious illness of his father on account of a shock he was called away from the Lowell association, making an interim of three months between the time when he left there and his engagement by the Norwich board of directors.

In his work in the different fields

wich board of directors.

In his work in the different fields where he has been, Mr. Morse has established a record for activity and energy, which has produced admirable results in all departments of the work, indicating that he is a man of experience and ability, well fitted for the local field in which there are large opportunities for the use of his talents. He is married, but has no children. He resides in one of the Carroll apartments at 51 Sachen street.

Physical Director Bandlow started the business men's afternoon class in the business men's afternoon class in the gymnasium on Monday. An in-teresting session was held with drill and basketball, although the attendance

# is expected to be much larger by next

Cosgrove Released.

John Cosgrove of Willimantic, accused of the theft of a watch from his aunt, Mrs. Ellen Relily, was allowed to go back to his home. His aunt was in the New London police court Monday morning and she did not want to proceed against him. Indeed, she gave him a good reputation in a talk with the procecuting attorney. The latter asked that the case be nolled, and that disposition was made of it. Cosgrove line seen in fail several days, so that he will learn wisdom by his experience if he is at all sensible.

#### DRY CURE FOR A COLD. Physician Turns to System Use 150 Years Ago.

London, Nov. L-A new cur by P. L. Romme, a well known Paris physician. Dr. Romme says it is in reality an old cure, having been discovered 150 years ago by an English doctor named, Williams, who was well known at the close of the 18th century.

Dr. Romme declares that it is an infallible remedy.

The president visited the state fair, a balloon ascension and a thrilling parachute leap gave ers to the Children's Friend, which in precedented in the history of the old city.

The president visited the state fair, where he made an address, and the simplicity itself. All one has the control of the simplicity itself. All one has the control of the state fair, where he made an address, and the procedented in the state fair.

It is simplicity itself. All one has to do is to abstain from all liquids during a period of 24 or 48 hours, starting from the moment when the

starting from the moment when the sufferer fells the first irritating symptoms of a "cold in the head."

Bread, fish, vegetables, "white" meat and pudding may be taken, but beverages should be taken in very small quantities—a spoonful of tea, coffee or milk in the morning, and a small glass of water before going to bed—or, if possible, not taken at all. It is not necessary to remain at home. The dry cure, in fact, is more rapid and complete, if the sufferer breathes in the open air.

nese medical authority, fully believes in this old English cure, and considers it as thoroughly efficient. He has modernized it by forbidding soup which is more liquid than solid, and even the small quantity of tea or milt of Dr. Williams' system. But he allows a small glass of wine and water during the design. luring the day

Philadelphia Political Campaign Close ly Watched by Civil Service Com-

Washington, Nov. 1.—The civil service commission is watching closely the conduct of the political campaign in Philadelphia as to participation by officers or employes of the federa government. Various charges that federal em-ployes have been active in political af-fairs in violation of the civil service rules are already being investigated and the heads of all the federal of fices in Philadelphia have been re-

quested to warn all employes against being politically active. All are under-stood to have complied with the re-Two Boys Killed in New Haven Rail-
